PMS stands for Pantone Matching System. PMS colours are standardised colours listed in the Pantone Colour Formula Guide. Pantone Matching System is a proprietary colour system which printers and manufacturers use to be sure to achieve consistent colour consistency.

- For a 1 PMC colour envelope, artwork must be supplied containing only one PMS colour.
- For a 2 PMC colour envelope, artwork must be supplied containing exactly two PMS colours.
- Please note that PMS colours are not available on uncoated envelopes. Please choose from the uncoated colours can be found below.

Please note, our supplier file formats (accepted Adobe Photoshop and all Microsoft Word documents do not support PMS colours. If you are supplying artwork for a PMC colour job, DO NOT supply these formats. Our preferred file type is always press ready PDF's.
